Total stitches: 2304 (48 x 48).

Legend counts add up to 2304; overlapping stitches on neighbouring sheets are counted once.

Isolated stitches: 66. A stitch is isolated when none of its four orthogonal neighbours (up/down/left/right) uses the same colour.

Palette source: Your own colours (RGB, no thread brand). Colours are measured from your image in sRGB. They are not matched to any thread brand: no brand codes are shown because LadaCross ships no licensed thread table. Match threads by eye against a real shade card before buying.
