Edition: Practice edition 1 · Base
Material: Thread and shuttle chosen by the maker; not test-tatted

SCHEMATIC WRITTEN STEPS
1. R1 Ring (16 double stitches): 4 · picot A · 4 · picot B · 4 · picot C · 4.
   Author note: Author: check ring orientation
2. CH1 Chain (12 double stitches): 6 · picot D · 6.
   Author note: Reverse work if required by your construction
3. R2 Ring (16 double stitches): 4 · join R1.B · 4 · picot E · 4 · picot F · 4.
   Author note: Join first boundary to R1.B
4. CH2 Chain (12 double stitches): 6 · picot G · 6.
   Author note: Author: verify turn before finishing

JOIN MAP
R2 boundary 1 → R1.B

EDITION CHANGES
Base edition; no variation count changes.

LEGEND: counts are double stitches; picot names identify joining points; join targets name an
earlier unit.picot. Diagram is schematic. Test-tat and check orientation before publication.
```

Author review: schematic diagram only. Test-tat and verify orientation, joins and fit before giving this pattern to makers.
