SvarogCut / Full-size patterns

Sheet 1 | 2 columns x 1 rows | 10 mm overlap

Print on A4 at 100% / Actual size. Disable Fit and Shrink.

Measure this line BEFORE using a printed template.

Both the horizontal and vertical bars must measure 100 mm.

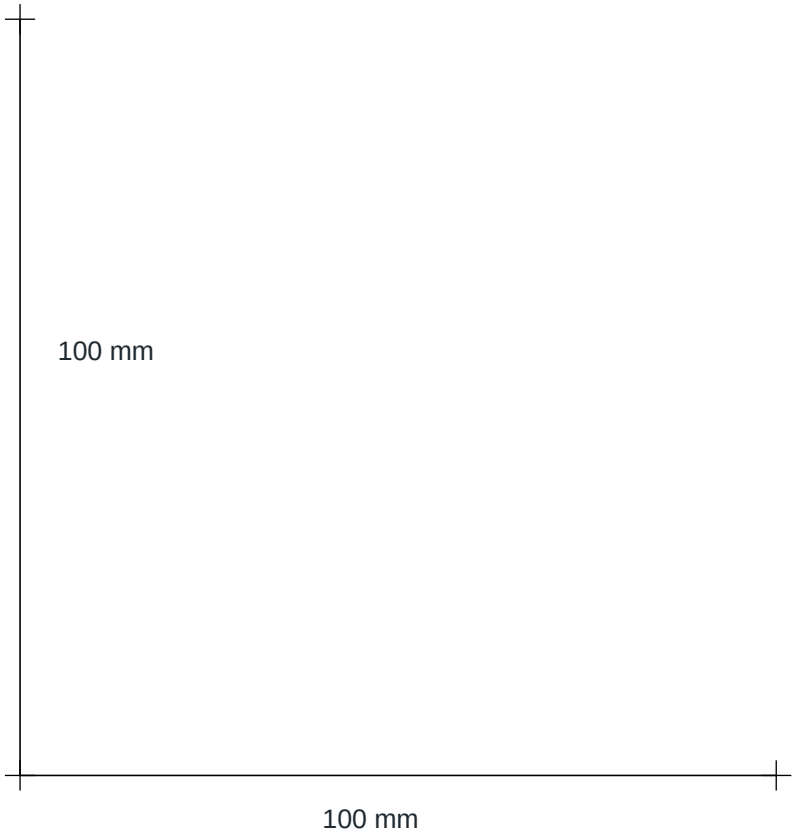

Join adjacent pages by the repeated coordinate grid.

The last pages may contain unused space; do not resize them.

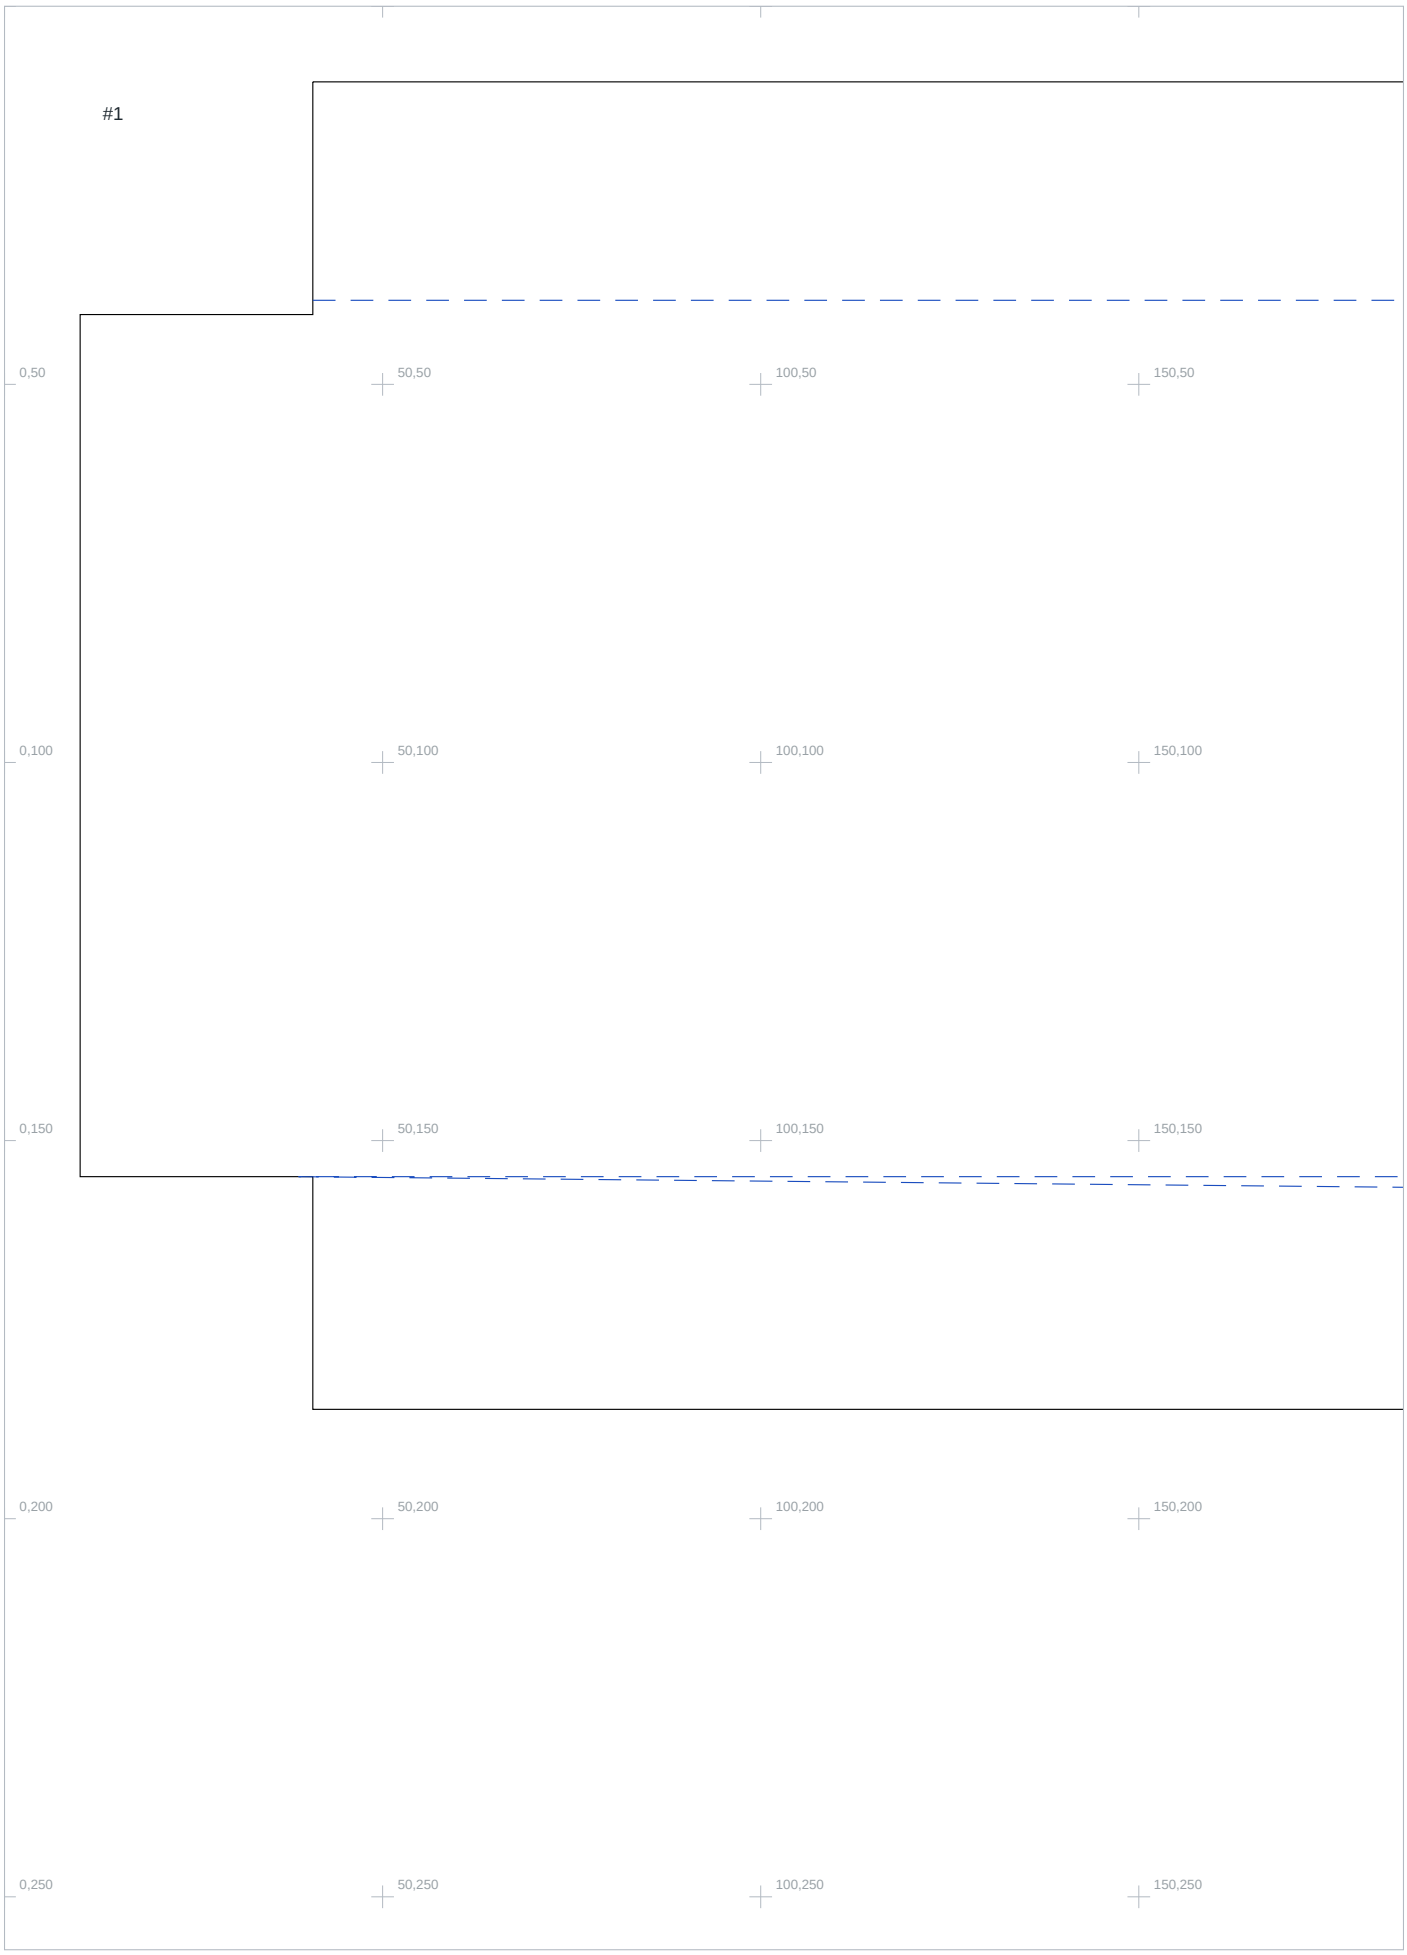

Black = CUT. Blue = BEND centre / SEAM reference, never cut.

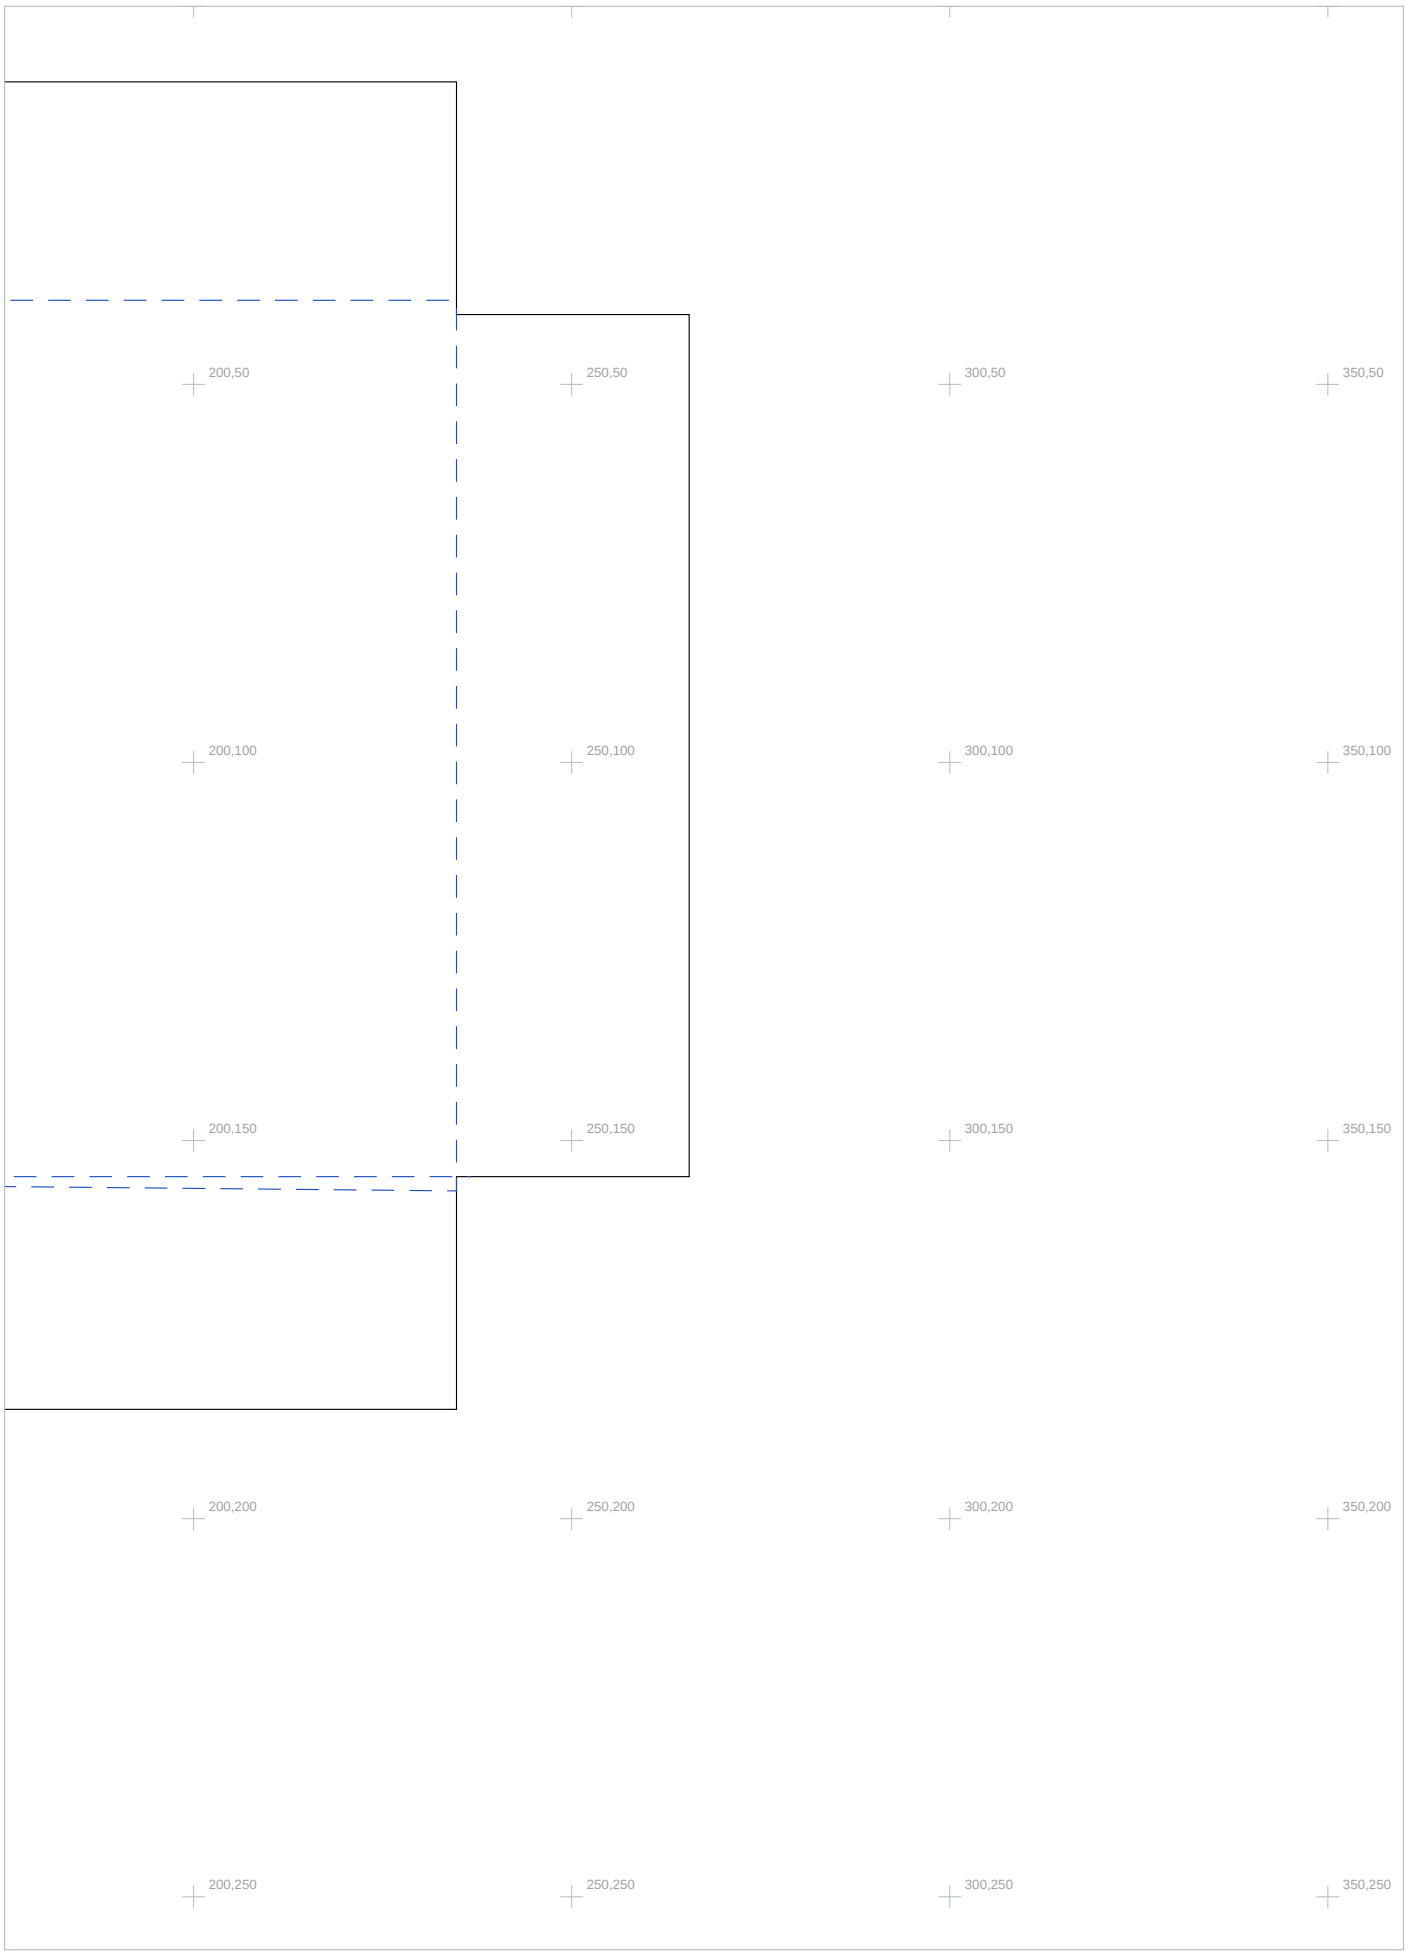

Contours are nominal. Apply tool compensation in your CAM.

Cut a test piece and verify dimensions before production.

Calibration page - not a cutting pattern
